### Literacy and Numeracy Test for Initial Education Students

One of the NSW Great Teaching, Inspired Learning (GTIL) reforms announced in 2013 was that from 2016, teacher education students would need to pass a literacy and numeracy test prior to their final professional experience placement.

The Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) is designed to assess initial teacher education students' personal literacy and numeracy skills to ensure teachers are well equipped to meet the demands of teaching and assist higher education providers, teacher employers and the general public to have increased confidence in the skills of graduating teachers. \*

Students must successfully complete the final professional experience placement to satisfy the requirements for the Bachelor of Dance Education course and the Bachelor of Education (Physical and Health Education) course.

\* The Government is implementing the Literacy and Numeracy Test for Initial Teacher Education Students (the test). This test is administered by [ACER](#), not the Australian College of Physical Education. There is a cost associated with taking this external test. The fee for both test components (literacy test and numeracy test) in 2017 it was \$185 (GST inclusive). The fee for a single test component (literacy test or numeracy test) in 2017 it was \$92.50 (GST inclusive).
