Overview

Your career in beauty begins at the AIAS. Graduate from the AIAS beauty college. Kick start your career as a:
- Beauty Therapist
- Make-up Artist
- Beautician
- Nail Technician

As you progress through the courses on offer you can even develop the skills needed to start your own business or to become a salon manager.

Our Beauty Salon

A vital part of developing skills in beauty services is development of practical skills.

Our on-campus students benefit from access to salons on-campus where they can be use Algologie and Bio-Pacific Skincare products to develop their skills.

Our distance students are supplied with a kit that includes the appropriate products necessary for their course. Distance students have the optional opportunity to attend block training at campus several times each year and this includes spending time at the campus salon.

Accreditation and Recognition

All of our beauty courses are from the SIB10 Beauty Training Package. That means they are nationally recognised qualifications, which have been developed in conjunction with the beauty industry and endorsed by the National Skills Standards Council. Graduates can be sure that they will have the skills and knowledge necessary to commence their beauty career.

The AIAS Beauty Faculty works in close association with Algologie and Bio-Pacific Skincare suppliers. They offer extensive training opportunities to further develop students’ product knowledge, and practical skill progression relevant to the beauty industry.
