The Faculty of Hairdressing

Overview

Kick off an exciting career in Hairdressing with a Certificate or Diploma course. Certificate III in Hairdressing graduates go on to work as hairdressers, colourists and stylists, and some are inspired to branch into related fields such as fashion, photography, theatre and media.

The Diploma of Salon Management provides you with the skills and knowledge for a career with business management responsibilities and in preparation for becoming a salon proprietor or manager. The Diploma of Salon Management is targeted at those already in the industry.

There are opportunities to bring your own creative style, and this combined with good leadership and organisational skills will open many doors in salons across Australia and the world.

The AIAS offers on-campus and online education. Both modes of study can be done via fast-track study options.
Diploma of Salon Management SBS50210
Campus: Brisbane or Online
On Campus: 24 weeks full-time (48 weeks part-time)
Online option 1: 48 weeks
Online option 2: 72 weeks
If you’re already active in the Hairdressing or Beauty industry and want to take it to the next level as a small business owner or manager, specialised leadership and organisational skills are a must for progression and success. This course is excellent preparation for transforming into a salon proprietor or manager.
Where will it take me?: Graduates often gain employment in managerial and leadership positions within the industry or become owners of hairdressing and beauty salons or home based operations. This qualification can also be used as a pathway to undergraduate study.

Certificate III in Hairdressing SAI30001
Campus: Brisbane
On campus: 36 weeks full-time / 60 weeks part-time
This course is designed specifically for new entrants who are looking to become a hairdresser and work as part of a team. The Certificate III in Hairdressing will provide you with the necessary education to become a competent hairdresser.
Where will it take me?: You will be a qualified hairdresser who can work as part of a salon team or operate a home salon. You will be able to perform an extensive range of skills and advise clients competently in a variety of circumstances, applying the skills you have learnt, independently and with professionalism.

About AIAS
Whether you intend to study for interest, or to begin a new career in the health or well-being industries, the AIAS has a course that will suit you. The AIAS provides world-class quality education to students, at an affordable, competitive price.
The AIAS is known internationally for its high standards, safe practices and professionalism.
Our courses are developed through consultation with professional industry associations, and are constantly updated to meet the needs of students and industry.

Our Hair Salon
The AIAS Hair Salon operates exactly as a real salon does. Our on-campus students use their time in the salon to practice real skills on real customers.
Off campus students have the option to attend the block training sessions several times each year where they are able to access the AIAS salon.

How do I fund my studies
Australian students can study now and pay later on a range of eligible courses through the government’s VET FEE-HELP Scheme.
For non-eligible VET FEE Help courses, AIAS offer a range of flexible payment plan options.
